PARKING

Visitors with disability hangers or license plates are invited to park immediately in front of our office building, where there are designated reserved spaces. Clients of DBL Law and visitors of Excel Title are also invited to park immediately in front of our office building.

If the parking immediately in front of our office building is full, we recommend parking at one of the following nearby convenient locations:

- 381 Greenup Street surface parking lot immediately across 4th Street from The Covington Yard (the northwest corner of 4th & Greenup Streets). Our office building entrance is a short one-half block west. We recommend crossing to the south side of 4th Street at the pedestrian crossing at 4th and Greenup Streets.
- The City of Covington Midtown parking garage at the southwest corner of 5th Street and Scott Boulevard. Our office building is a short one and one-half blocks northeast of the garage. We recommend crossing to the east side of Scott Boulevard at the pedestrian crossing at 5th Street and Scott Boulevard.
- The Kenton County Parking Garage (attached to the Kenton County Justice Center) at 220 Madison Avenue. Our office building is a short two blocks southeast of the garage. We recommend walking south on Madison Avenue, then turn left on the south side of 4th Street.
- Metered street parking along Court Street and Park Avenue immediately to the north of our building.

If you have any questions, please call [\(859\) 341-1881](tel:859-341-1881).

Thank you again for visiting DBL Law and Excel Title Services. We look forward to seeing you, and we are hopeful you will find our offices hospitable, innovative, and engaging, as we continue to build strong partnerships and relationships among our clients, colleagues, and friends.
