

## DBL Law Practice Groups Recognized in 2022 U.S. News-Best Lawyers Publication

November 5, 2021 **Nancy Spivey**

U.S. News & World Report and Best Lawyers® have released the 12<sup>th</sup> Edition of their “Best Law Firms” publication, and three of DBL Law’s practice groups have earned top Metropolitan rankings.

Metropolitan Tier 1 rankings have been awarded to DBL Law’s Health Care Law, Health Care Litigation, and White-Collar Criminal Defense practice groups.

U.S. News – Best Lawyers® recognizes law firms for professional excellence based on ratings from clients and peers. To be eligible for a ranking, a firm must first have a lawyer recognized in The Best Lawyers in America®, which recognizes only 6% of lawyers practicing in the United States.

According to U.S. News and Best Lawyers, achieving a tiered ranking signals a unique combination of the overall quality of the firm and the breadth of its legal expertise. Ranked firms, presented in three tiers, are recognized on a national and regional-based scale. Firms that receive a tier designation are considered to have reflect the highest level of respect among clients and other leading lawyers from the same communities and practice areas.

The 2022 rankings incorporate more than 8.2 million evaluations of more than 115,000 individual leading lawyers from more than 22,000 firms. Only 2,000 firms received a national law firm ranking this year. National and metropolitan Tier 1 rankings will be featured in the physical edition of U.S. News – Best Lawyers® “Best Law Firms”, which will be distributed to more than 30,000 in-house counsels.
