

ADDRESS

[109 East Fourth Street](#)
[Covington, KY 41011](#)
[\(859\) 341-1881](#)

OFFICE HOURS

Monday-Friday, 8:15 a.m.-5:15 p.m.

PARKING

Visitors with disability hangers or license plates are invited to park immediately in front of our office building, where there are designated reserved spaces. Clients of DBL Law are also invited to park immediately in front of our office building.

If the parking immediately in front of our office building is full, we recommend parking at one of the following nearby convenient locations:

- 381 Greenup Street surface parking lot immediately across 4th Street from The Covington Yard (the northwest corner of 4th & Greenup Streets). Our office building entrance is a short one-half block west. We recommend crossing to the south side of 4th Street at the pedestrian crossing at 4th and Greenup Streets. **Clients of DBL Law and customers of Excel Title Services parking in this lot do not need to pay for parking at the lot kiosk, and will receive validated parking upon entering our new building. *Please remember your license plate number and provide it to our receptionist so we may validate your parking.***
- The City of Covington Midtown parking garage at the southwest corner of 5th Street and Scott Boulevard. Our office building is a short one and one-half blocks northeast of the garage. We recommend crossing to the east side of Scott Boulevard at the pedestrian crossing at 5th Street and Scott Boulevard. **Clients of DBL Law and customers of Excel Title Services parking in this garage will receive a parking validation ticket from our receptionist upon entering or leaving our new office building. The validation ticket is inserted after inserting the parking ticket received upon entering the garage.**
- The Kenton County Parking Garage (attached to the Kenton County Justice Center) at 220 Madison Avenue. Our office building is a short two blocks southeast of the garage. We recommend walking south on Madison Avenue, then turn left on the south side of 4th Street. **Clients of DBL Law and customers of Excel Title Services parking in this garage will receive a parking validation ticket from our receptionist upon entering or leaving our new office building. This ticket is inserted after inserting the parking ticket received upon entering the garage.**
- Metered street parking along Court Street and Park Avenue immediately to the north of our building.

If you have any questions, please call [\(859\) 341-1881](#).

Thank you again for visiting our new DBL Law and Excel Title Services office. We look forward to seeing you, and we are hopeful you will find our new offices hospitable, innovative, and engaging, as we continue to build strong partnerships and relationships among our clients, colleagues, and friends.
